

Rainbow Hills Athletic Program Commitment Form

Student/Athlete Commitment

I am committed to making every effort to be at every practice. I will commit myself to good sportsmanship at all practices and games and to be an encourager to my teammates. I will show respect to my coaches, officials, and others in authority over me. I will treat our facilities with care as well as any other facilities we may visit.

Parent Commitment

I am committed to supporting the athletic program at Rainbow Hills Baptist School. I will be an example of support and encouragement at all practices and games. I realize that in order for my child to be a team player he/she must be present at all practices and be prepared for game times. *I understand that in order for our school to have an effective program I must be involved in the activities surrounding the athletic program.* I will make every effort to help with concessions or gate collections when possible. I will instill in my child the importance of discipline, teamwork and respect for authority while participating in the Rainbow Hills Athletic program.
